[www.wheelchairsoftball.org](http://www.wheelchairsoftball.org)

On behalf of the **Wisconsin Paralyzed Veterans of America**, the **WPVA Warhawks** wheelchair softball team and the **Wisconsin Wheelchair Sports Association**; I would like to invite you to the 2009 NWSA National Juniors Championship tournament in Milwaukee. The Milwaukee County Zoo grounds will be the site for this tournament, and since they did such a great job as the host site for the 2007 PVA Vet games, I am sure they will be able to provide a wonderful venue for this fun and exciting tournament.

The tournament is scheduled for Friday August 7. This is a departure from past dates, and is due to restrictions on scheduling at the Zoo grounds. The Zoo Grounds will be open without entry fee or parking fees to all of the players and coaches and guardians participating in the tournament. It is a world-class facility with many animals, scenic walkways, buildings and viewing areas. While the teams are not playing softball they can tour the Zoo and enjoy the many interesting areas on the Zoo grounds. Players are encouraged to bring family and friends along and make this a fun vacation trip for the whole family. Extra passes to the Zoo are available at a minimal cost for teams and for players interested in bring friends along. A Zoo brochure will be included with the mailed packet and Zoo information is available on the Milwaukee Zoo website. ( [www.milwaukeezoo.org](http://www.milwaukeezoo.org) )

We hope that the Zoo and the surrounding Milwaukee area will provide an interesting and enjoyable experience for families to come from all around the country to watch some great wheelchair softball, enjoy a great Zoo, and experience what the Milwaukee Metro Area has to offer in the summer. The Wisconsin State Fair is being held a few miles down the road from the Zoo grounds, with the exhibits, rides, and musical concerts that make the State Fair a memorable event to attend. And Milwaukee has the wonderful Betty Brinn Children's museum and the Milwaukee Art Museum (commonly known as the Calatrava after it's famous architect) to attract people. The Country Springs Hotel and Water Park in Pewaukee is another family attraction for visitors to the area. Families from around the country will find Milwaukee an interesting and fun place to visit this August.

We hope to see you this summer and welcome you to the Milwaukee area to enjoy the tournament and all the other things that Milwaukee has to offer.
